9. The undersigned property owner(s) also validate and confirm the past actions of the Association with regard to annual dues, assessments and fees.

8. Except as otherwise expressly amended herein, the Restrictive Covenants remain fully valid, unchanged, and in full force and effect as to all of the lots within the Plat.

9. The undersigned property owner(s) also validate and confirm the past actions of the Association with regard to annual dues, assessments and fees.

10. This Agreement and consent shall bind not only the below-signed property owner(s), but also any and all future owners of the lot or lots within the Plat currently owned by the undersigned property owner(s). For purposes of this document, the undersigned "property owner(s)" can include a person, trust, limited liability company, corporation or any other legal entity.

11. In lieu of having each instrument signed by the lot owners identified in this document having to be notarized and recorded with the Isabella County Register of Deeds records (which would be impractical, expensive, and unreasonably time-consuming), the then-President and Secretary of the Association are hereby authorized to record a document with the Isabella County Register of Deeds records with the language of this document and the amendments to the Restrictive Covenants specified herein (if the requirements of Section 5 hereof are met) attesting to such document and amendments being signed by the requisite number of lot owners. Such recorded document shall specify where the original signed amendment documents can be reviewed, and such recording shall be deemed to be official record notice of this document and the amendments to the Restrictive Covenants contained herein and shall be considered the same as if all amendment documents had been executed, witnessed, notarized, and recorded separately.
